President Deb McCoy opened the meeting by welcoming everyone then leading us in reciting the Pledge of Allegiance and Civitan Creed.

PROGRAM: 'My Special Place' is a new organization whose mission is to create safe, high-quality residential options for adults with IDD that align with a quality lifestyle. Because of a lack of housing options in The Villages, many elderly parents are still caring for their special needs adult children. My Special Place (MSP) President Kristy Sullivan described to us a new residence facility, located in Spanish Springs across from The Villages Hospital and next to Freedom Point, that will be available for the adult IDD people living with their parents or caregivers in The Villages. It will house 44 – 31 in the two-story building and 13 in the smaller ground-level building for those needing closer supervision. The MSP Board members, twelve family caregivers and professionals, are doing a major fundraising as they need \$3 million for the closing on the purchase in the middle of February. Donations accepted at <https://myspecialplacethevillages.com>

Sunrise Group/Community is one of the largest, private 501(c)(3) not-for-profit organizations in the country dedicated to serving people with intellectual and developmental disabilities. They will supply the support personnel and administer the operation of My Special Place.

The Agency for People with Disabilities (APD) offers a wide range of social, medical, residential, and behavioral services. In order to be eligible for services from the APD, an individual must have a developmental disability (as defined in section 393.063(12), Florida Statutes), including traumatic brain injury which occurs prior to age 18 and constitutes a substantial handicap that can reasonably be expected to continue indefinitely. Those registered with APD are then eligible to apply for residence in My Special Place.

Kristy answered many questions, provided everyone with a brochure and a flyer about their Open House, hosted by their realtor, on Saturday, January 10, 2026 from 2-5 at 1475 El Camino Real.

"Ensuring they're cared for – today, tomorrow, and always."
