Adopt-A-Precinct Accepting New Groups

The Sumter County Supervisor of Elections Office is looking for groups to join it for the 2024 Adopt-A-Precinct season. The statewide initiative allows organizations to staff polling locations and have their wages donated to charities. Last year 13 organizations, including **Hometown Civitan**, the Santiago Women's Club and the Sophisticated Gents of Florida, participated in the Sumter program and raised \$76,532.50. The deadline to apply is 5 p.m. April 6. Those interested should call the elections office at 352-569-1540 and ask for Kaley Schoolcraft. (Leah Schwarting, Daily Sun)
