

Bio of Deb McCoy

Deb McCoy is from Columbus, Ohio and has a BA degree from Ohio University, Athens, and an MA degree in Public Administration from The Ohio State University. Deb has worked her entire career with people with intellectual disabilities, initially working in a large state developmental center, then running group homes for people with intellectual disabilities.

In 1996, Deb and family relocated to central Florida, and she became affiliated with the Arc Sunrise of Central Florida in Leesburg, Florida. Deb is currently President/CEO of McCoy Behavioral, a behavioral health agency which she founded in 2003 and runs with the help of her son and daughter-in-law.

Deb has been a Civitan member for 27 years, first at the Leesburg Civitan club and in the past nine years, the Hometown Civitan club. She has held each of the club positions and has been Civitan District secretary and Civitan District Governor during the 2015-2016 year. Deb is currently serving on the Civitan International Finance Committee.

Deb's goal is to be semi-retired, working only a few days each week and spending more time with Civitan and travel.
