Dear Ms. Higbee,

Thank you for your generous gift of **\$2,000.00** received on **09/04/2026** to the Civitan Scholarship Fund. Your support of Beacon College is an investment in the success and future of our students, and we are sincerely grateful for your generosity.

Because of donors like you, Beacon College continues to empower students with learning disabilities and ADHD to achieve their academic, personal, and professional goals. As the first college in the nation accredited to award bachelor's degrees exclusively to students with learning disabilities and ADHD, we remain dedicated to providing an exceptional educational experience that transforms lives.

Your contribution helps make that mission possible by supporting the programs, resources, and opportunities our students rely on to thrive. Together, we are creating a campus community where students are encouraged to discover their strengths, build confidence, and prepare for meaningful futures.

Thank you for partnering with Beacon College and believing in the potential of every student. Your generosity truly makes a lasting difference.

Kind regards,

Keri Jo Land
