

My Special Place

Laura,

Thank you so very much again for choosing **My Special Place** as the benefactor of one of your Hometown Civitan Club grants! It is an honor and we sincerely appreciate your generosity and your support.

We also appreciate the enthusiasm of many members who would like to get involved with volunteering.

I'll be sending a thank you card as well.

I attached a couple photos, but I know you will have great photos that John took.

Also, thank you so much for treating Debbie and I to lunch! It was good to see you again and I absolutely love your accent!
