

## **Hometown Civitan Special Club Meeting,**

**October 1, 2024 10:30 : Avery Recreation Center**

Hometown Civitan Club invited the League of Women Voters to present the 2024 Proposed Florida Constitutional Amendments at this special meeting.

Lana Roseburg welcomed everyone and introduced Deb McCoy who provided an overview of Civitan, providing a little background about our club for the guests and speakers.

Lana then introduced the League of Women Voters representatives, Beth Hicks and Tina Getz.

The presentation of the 6 amendments was very thorough. There was good interaction from the audience and the presenters. We all felt better informed following the presentation. For those that were not able to attend I recommend visiting the League of Women Voters website to better understand the amendments.

Go to [Lwvfl.org](http://Lwvfl.org) once on their website at the top of the page click on VOTE411 this will take you to a new website, you will enter your address and it will provide you a sample ballot specific to your address. Once on this site you can scroll down to the amendments section and most of the information that was shared at our meeting is available for you to read.

After the presentation Doris Field talked about our plans for our holiday celebration in December. Rather than any gifts for each other we are planning to provide holiday gifts for children in need. Doris will send an email with more information.

Attendance: 13 members, 2 presenters, 1 guest (guest of Kris Tygrett)
