Arc Sunrise Civitan Club joined our meeting. Administrator Ariel spoke about the training program with Shamierra and Jonathan sharing their experiences as club officers.

Regina Clymans, Ilene Hyams, Maureen Carr, Daniella Nevells & Deb McCoy prepared and served a special request dinner of hamburgers & hot dogs at the Ronald McDonald House in Orlando.

Through the generosity of our members, many gifts and gift cards were given for the foster kids in the Voices for Children/Guardian Ad Litem program.

Four volunteers staffed the Phone Bank in Bushnell for the Special General Election including club members Judi Higbee and Deb McCoy, earning \$840 for Hometown Charities.

25 trees, gift baskets and gift cards were part of the Special Olympics fundraiser 'Festival of Trees'. Hometown donated a 'Warm & Cozy' gift basket.

Special days of annual recognition in December. Hometown Civitan Club/Charities donated \$1,300 to Civitan International Research Center (CIRC) on Giving Tuesday. That donation was tripled by other donors.
